“subdivided service” means a municipal service which provided to a consumer as an applicable rate which is less than the cost of actually providing the service including services provided to consumers at no cost;

“supply zone” means an area, determined by the municipality or its authorized agent within which all consumers are provided with services from the same bulk supply connection, and

“unauthorized services” means receipt, use or consumption of any municipal service which is not in terms of an agreement, or authorized or approved by the municipality or its authorized agent.

CHAPTER 2

PROVISION OF MUNICIPAL SERVICES TO CONSUMERS OTHER THAN INDIGENT CONSUMERS

PART 1: APPLICATION FOR MUNICIPAL SERVICES

2. APPLICATION FOR SERVICES

- (1) A consumer who qualifies as an indigent consumer must apply for services as set out in chapter 4 below.

- (2) No person shall be entitled to have access to municipal services unless application has been made to and approved by the municipality or its authorized agent on the prescribed form attached as Annexure A to these bylaws.
- (3) If, at the commencement of these bylaws or at any other time, municipal services are provided and received and no written agreement exists in respect of such services, it shall be deemed that –
 - (a) an agreement in terms of subsection (7) exists; and
 - (b) the level of services provided to that consumers are the level of services elected, until such time as the consumer enters into an agreement in terms of subsection (2).
- (4) The municipality or its authorised agent must on application for the provision of services inform the applicant of the then available levels of services and then applicable tariffs and/or charges associated with each level of service.
- (5) The municipality or its authorized agent is only obliged to provide a specific level of service requested if the service is currently being provided and if the municipality or authorized agent has the resources and capacity to provide such level of service.
- (6) A consumer may at any time apply to alter the level of services elected in terms of the agreement entered into, provided that such requested level of service is available and that the consumer pays any costs and expenditure associated with altering the level of services.
- (7) An application for services submitted by a consumer and approved by the municipality or its authorized agent shall constitute an agreement between the municipality or its authorized agent and the consumer, and such agreement shall take effect on the date referred to or stipulated in such agreement.
- (8) In completing an application form for municipal services, the municipality or its authorized agent must ensure that the document and the process of interaction with the owner, consumer or other person and advise him or her of the option to register as an indigent consumer.
- (9) In the case of illiterate or similarly disadvantaged persons, the municipality or its authorized agent must take reasonable steps to ensure that the person is aware of and understands the contents of the application form and shall assist him or her in completing such form.
- (10) Municipal services rendered to a consumer are subject to provisions of these bylaws, any applicable bylaws and the conditions contained in the agreement.
- (11) If the municipality or its authorized agent –
 - (a) refuses an application for the provision of municipal services or a specific service or level of service;
 - (b) is unable to render such municipal services or a specific service or level of service on the date requested for such provision to commence; or
 - (c) is unable to render such municipal services or a specific services or level of service

the municipality or its authorized agent must, within a reasonable time, inform the consumer of such refusal and/or inability, the reason therefore and, if applicable, when the municipality or its authorized agent will be able to provide such municipal services or a specific service or level of service.

3. SPECIAL AGREEMENTS FOR MUNICIPAL SERVICES

The municipality or its authorized agent may enter into a special agreement for the provision of municipal services with an applicant –

- (a) within the area of supply, if the services applied for necessitated the imposition of conditions not contained in the prescribed form or these bylaws;
- (b) receiving subsidized services; and
- (c) if the premises to receive such services is situated outside the area of supply, provided that the municipality having jurisdiction over the premises has no objection to such special agreement. The obligation is on the consumer to advise the municipality concerned of such special agreement.

4. CHANGE IN PURPOSE FOR WHICH MUNICIPAL SERVICES ARE USED

Where the purpose or extent to which any municipal service used is changed, the onus and obligation is on the consumer to advise the municipality or its authorized agent of such change and to enter into a new agreement with the municipality or its authorized agent.

PART 2: APPLICABLE CHARGES

5. APPLICABLE CHARGES FOR MUNICIPAL SERVICES

- (1) All applicable charges payable in respect of municipal services, including but not limited to the payment of connection charges, fixed charges or any additional charges or interest will be set by the council in accordance with –
 - (a) its rates and tariff policy
 - (b) its credit control and debts collection policy:
 - (c) any bylaws in respect thereof, and
 - (d) any regulation in terms of nation or provincial legislation.
- (2) Applicable charges may differ between different categories of consumer, users of services, types of level service, quantities of services, infrastructure equipments and geographic areas.
- (3) Services will be terminated due to non-payment on the terms and conditions as stipulated in the credit control and debt collection policy.
- (4) Deferment for payment of service accounts can be granted consumers in terms of councils delegated powers and conditions approved in its credit control and debt collection policy.
- (5) The municipality may consolidate any separate account of person who are liable for payment to the municipality and may credit all payments received from such a person to any service and order of performance as determine by council from time to time in it's the credit control and debt collection policy.

6. AVAILABILITY CHARGES FOR MUNICIPALITY SERVICES.

The council, in addition to the tariffs or charges prescribed for municipal services actually provided, may levy a monthly fixed charge or once- off fixed charged where municipal service are available, whether or not such services are consumed or not.

7. SUBSIDIES SERVICED

- (1) The Council may, from time to time, and in accordance with national policy. But subject to principles of sustainability and affordability, implement subsidies for a basic level of municipal service.
- (2) The council may, in implementing subsidies, differentiate between types of household consumers types and level of services, quantities of services, geographical areas and socio-economic areas.
- (3) A public notice in terms of subsection {1} must contain at least the following details applicable to a specific subsidy:
 - (a) the household consumers who will benefit from the subsidy;
 - (b) the type, level quantity of municipal services that will be subsidized;
 - (c) the area within which the subsidy will apply;
 - (d) the rate {indicating the level of subsidy};
 - (e) the method of implementing the subsidy; and
 - (f) any special terms and conditions which will apply to the subsidy.
- (4) If a household consumer's consumption or use of municipal services is-
 - (a) less than the subsidies services, the unused portion may not be accrued by the consumer and will not entitle the consumer to cash or a rebate in respect of the unused portion; and
 - (b) in excess of the subsidized services, the consumer will be obliged to pay such excess consumption at the application at the capable rate.
- (5) A subsidy implemented in terms of subsection {1} may at anytime withdrawn or altered in sole discretion of the council, after –
 - (a) service of notice as contemplated in section 115 of the Act on the person affected by the Council's intention to consider such withdrawal or alteration; and
 - (b) consideration the council of any comments or requests received from the person affected.
- (6) Commercial consumer shall not qualify for subsidies services.
- (7) Subsidies services shall be funded from the portion of revenue raised nationally which is allocated to the municipality and if such funding is insufficient the service may be funded from revenue through rates, fees and charges in respect of municipality services.

8. AUTHORITY TO RECOVER ADDITIONAL COSTS AND FEES

- (1) The municipality or its authorized agent has the authority to, notwithstanding the provision of any other section contained in these bylaws, recover any additional costs incurred in respect of implementing these bylaws against the account of the consumers, including but not limited to –
 - (a) All legal costs, including attorney and clients costs incurred in the recovery of amounts in arrears shall be against the arrears account of the consumer, and/or
 - (b) The or essential costs incurred relating to any action taken in demanding payment from the consumer or reminding the consumer, by means of telephone, fax, e-mail, letter or otherwise.

PART 3: PAYMENT

9. PAYMENT DEPOSIT

- (1) The Council may, from time to time, determine different deposit for different categories of consumer, users of services, debtors, services and services standards, provided that the deposit will not be more than two and a halftime in monetary value of the most recent measure monthly consumption of the premises for which an application is made.
- (2) A consumer must on application for the provision of municipal services and before the municipality or its authorized agent will provide such services, pay a deposit, if the municipal council determined a deposit.
- (3) The municipal or its authourised agent may annually review a deposit paid in terms of subsection (2) and in accordance with such review require that an additional amount be deposited by the consumer where the deposit is less than the most recent deposit determined by the Council.
- (4) If the consumer is in arrears, the municipality or its authorized agent may require the consumer –
 - (a) pay the deposit if that consumer was not previously required to pay a deposit; and
 - (b) pay an additional deposit where the deposit paid by that consumer is less than the most recent deposit determined by the Council.
- (5) Subject to subsection (7), the deposit shall not be regarded as being in payment of an account.
- (6) No interest shall be payable by the municipality or its authourised agent on any deposit held.
- (7) The deposit, if any, is refundable to the consumer on termination of the agreement. A deposit shall be forfeited to the municipality if it has not been claimed by the consumer within 12 months of termination of the agreement.

10. METHODS FOR DETERMINING AMOUNTS DUE AND PAYABLE

- (1) The municipality on its authourised agent must in respect of municipal services that can be metered, endeavour to, within available financial and human resources, meter all consumer connection and/or read all metered consumer collections, on a regular basis, subject to subsection.
- (2) If a service is not measured, a municipality or its authorized agent may, notwithstanding subsection {1}, determine the amount due and payable by a consumer, for municipal services supplied to him, her or it, by calculating –
 - (a) the share consumption, if possible; or
 - (b) the estimated consumption.
- (3) If the service is metered, but it cannot be read due to financial and human resource constrains or circumstances out of the control of the municipality or its authorized agent, and the consumer is charged for an average consumption the account following the reading of the metered consumption must articulate the difference between the actual consumption and the average consumption, and the resulting credit or debit adjustment.
- (4) Where water supply services are provided through a communal water services network (stand pipe), the amount due and payable by consumers gaining access to water supply services through that communal water services network, must be based on the share or estimated consumption of water supplied to the water services network.

- (5) Where in the opinion of the municipality or its authorized agent is not reasonably possible or cost effectively to meter all consumer connections and/or read all metered consumer connections within a determine area, the Council may, on the recommendation of the municipality or its authorized agent, determine a basic tariff (flat rate) to be paid by all the consumers within that area, irrespective of actual consumption.
- (6) The municipality or its authorized agent must inform consumers of the method determining amounts due and payable respect of municipal services provided will apply in respect of their consumption or supply zones.

11. PAYMENT FOR MUNICIPAL SERVICES PROVIDED

- (1) A consumer shall be responsible for payment of all municipal services consumed by him/her or it from commencement date of the agreement until his/her or its account has been settled in full and the municipal or its authorized agent must recover all applicable charges due to the municipality.
- (2) If a consumer uses municipal services for a use other than this is provided by the municipality or its authorized agent in terms of an agreement and consequences is charged at a lower than the applicable charge the municipality or its authorized agent may make an adjustment of the amount charges and recover the balance from the consumer.
- (3) If amendments to the applicable charge become operative on a date between measurement for the purpose of rendering an account in respect of the applicable charges and the date of payment, -
 - (a) it shall be deemed that the same quantity of municipal services was provided in each period of twenty- four hours during the interval between the measurements; and
 - (b) any fixed charge shall be calculated on a pro rata basis in accordance with the charge that applied immediately before such amendment and such amended applicable charge.

12. FULL AND FINAL SETTLEMENT OF AN ACCOUNT

- (1) Where an account is not settled in full. Any lesser amount tendered and accepted shall not be deemed to be in final settlement of such an account.
- (2) Subsection (1) shall prevail notwithstanding the fact lesser payment was tendered and/or accepted in full and final settlement, unless the municipal manager or the manager of the municipality's authorized agent made such acceptance in writing.

13. RESPONSIBILITY FOR AMOUNTS DUE AND PAYABLE

Notwithstanding the provisions of any other section of these bylaws, the owner of premises shall be liable for the payment of any amounts due and payable to the municipality or its authorized representative in respect of the preceding two years, where the owner is not the consumer and the municipality or its authorized agent after taking reasonable measures to recover any amounts due and payable by the consumer from the latter, could not recover such amounts.

14. DISHONORED PAYMENTS

Where any payment made to the municipality or its authorized agent by negotiable instrument is later dishonored by the bank, the municipality or its authorized agent –
