Nyandeni Local Municipality in partnership with Ntlaza Lions to host Rugby Tournament

The Easter weekend is celebrated as a joyous occasion worldwide, however with the high unemployment rate amongst youth, job losses and poverty challenges experienced it is no secret that vulnerable groups may feel excluded from ever excelling in the economic growth or rural development and developmental sport activities, this is why Nyandeni Local Municipality continues to partner with Ntlaza Lions to host Ntlaza Lions Rugby Tournament this Easter weekend.

Ntlaza Lions rugby club was first established in the year 1997, grooming young sportsmen and sportswomen into leaders.

Part taking in sports has several benefits such as promoting teamwork, discipline and improving mental health, with this year's Rugby Tournament the grand prize for the winning team is a whopping R 25 000.00.

Through this tournament, the institution aims to motivate more young people to participate in sports development events in order to produce vigilant and active and national, provincial and local sportsmen and sportswomen with a clear vision.

The tournament will take place as follows:

Date: 08-10 April 2023

Venue: Ntlaza Sport Ground (ward 15)
